Fencing & Railing

CABLE RAILING SYSTEMS

Exceptional Style, Outstanding Performance.

If you're dreaming of beautiful, stress-free outdoor living spaces, our low-maintenance aluminum railing, designed to provide long-lasting attractiveness and safety, is one way to make that outdoor dream a reality. With its wide variety of colors and styles, Key-Link's aluminum railing is appreciated by homeowners and builders alike. All of Key-Link's railing is engineered to our exacting standards and fabricated and tested in the USA.

Powder Coating for Durability.

Each piece of our aluminum rail is expertly coated with AAMA 2604 powder coating for resistance to sun, heat, and humidity. This powder coating is one of the most economical, longest-lasting, and color-durable finishes on the market today. AAMA 2605 coating is available for architectural projects that require long-term cosmetic and functional protection.

Horizontal Cable

Modern and Contemporary

Stainless steel cable runs through these posts with our low-profile fittings for a sleek, modern look. The pre-installed post fittings make threading cable easy, and you can effortlessly stretch cable around corner post and down stairs with one tensioner set.

- Available in 36” & 42” h x 6’ & 8’ sections
- Pre-drilled line, corner, and end posts
- Requires only single post at corners
- Comes as a kit with center baluster and top rail (cable rolls available separately)

RETRO-FIT
CABLE RAIL FITTINGS

Upgrade to Cable Rail and Enjoy Your View

Use our cable rail components for new construction or to retrofit existing construction. These components turn your wood or composite posts into a modern cable railing system.

The unique, proprietary system makes installation easy, with only a few standard tools required.

Stainless steel components work in virtually any install situation and give you the contemporary design you're looking for.

Level, stair and through fittings available.

PLACID POINT LIGHTING

SEE YOUR BACKYARD IN A

NEW LIGHT

Create stunning focal points while adding atmosphere to your backyard or deck area. Placid Point Lighting allows you to transform and creatively illuminate all types of outdoor spaces and improve your outdoor enjoyment.

Placid Point's LED's emit a warm white light providing just the right ambiance while adding safety and security to any outdoor area. Our energy efficient circuit boards are seal coated to maximize longevity and provide superior protection against the elements.

We also offer post caps with no lights to complement the product line and create an economical price point for lighting projects.
