POSITIVE INTERLOCK DESIGN

POSITIVE INTERLOCK DESIGN

Hometown Vinyl Manufactures Privacy panels with POSITIVE INTERLOCK DESIGN that is specifically engineered to ensure a clean, seamless privacy panel look and POSITIVE INTERLOCK DESIGN provides superior wind load resistance when compared to standard tongue-and-groove panel systems. Pickets DO NOT blow out during high winds. You can be confident your Hometown Vinyl fence will have long-lasting beauty that will add value to your home for years to come.

No more glue - no more lost or missing picket caps. Invest in Advanced Sonic Weld Vinyl Picket Cap Technology and enjoy years of maintenance free vinyl picket fencing.

Sagging bottom rails will lead to blown out pickets! The structural integrity of our 2" x 7" privacy rail is unmatched!

Our picket fence is manufactured with routed rails to eliminate dislodged pickets

GATE HARDWARE

D&D Technologies

World's most trusted gate hardware

LOKK LATCH PRO

This is the privacy latch fencing contractors and locksmiths have been waiting for! Award-winning Lokk•Latch PRO® is the most sophisticated privacy and security gate latch ever devised. This quality, two-part latch can be operated and locked from either side of the gate! It can be conveniently keyed-alike (by a locksmith) to match most household doors by way of its sturdy 6-pin security lock. This stylishly designed latch is manufactured from molded, rust-proof polymer materials and marine-grade stainless steel components, all of which ensure a robust, high-impact product that's designed to last.

MULTI ADJUST HINGE

The Tru•Close® "MULTI-ADJUST™" tension-adjustable hinge is the ideal hinge for vinyl or wood gates. This revolutionary heavy duty hinge offers the ultimate range of vertical and horizontal adjustment, plus tension adjustment, for large, heavy or high traffic gates. This, combined with fast, convenient fitting alignment, makes the MULTIADJUST™ from Tru•Close® the ideal "big gate hinge." The MULTI-ADJUST hinge carries all the usual Tru•Close® hinge benefits: no rusting, no binding, no sagging and no staining! The most notable feature is the horizontal and vertical adjustment – the ability to adjust the hinge (the gate) up to 3/4" (19mm) in either a vertical or a horizontal direction at any time after installation.

MAGNA LATCH

Ideal for Swimming Pools and other Child Safety Gates. Easy to install within minutes. The high mounting position is specially designed to be out of reach of children. Combine this product with our Tru•Close® self-closing gate hinges for the ultimate in safe and dependable gate operation.
